

# BACON CONGREGATE HOUSING

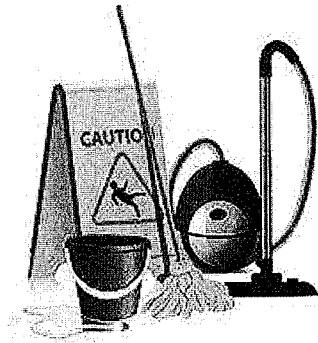

NOVEMBER 2024 RESIDENT NEWSLETTER

## A note from Mariano:

Thank you for your cooperation in ensuring timely garbage disposal. I kindly ask that all garbage be placed in closed bags before disposal. Loose garbage can produce strong odors and attract pests, which we want to avoid.

I appreciate your attention to this matter 😊

## RENOVATIONS

The Sheldon Oak team is still in the planning stages of our upcoming renovations; we will keep everyone informed as we progress. Our immediate priority is to finalize the plans for replacing the windows at the front of the building. Further details will be provided soon. Thank you for your understanding.

If you have any questions or concerns, please call, visit the office or leave a note in the white box outside my office door.

## SNOW REMOVAL POLICY

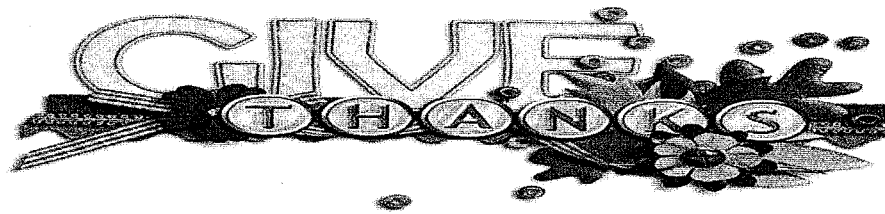

The snow will be here soon! Please remember to move your car to the end of the parking lot, near the tree towards the dumpster. After the front is clear you can move it back. Please remind your family members and any guests visiting.

## A quick note from Jessica:

Please remember to move your bathroom mats on your scheduled cleaning day.

We'd love to hear your thoughts! If you have any suggestions for our daily meals or activities you'd like to see at the site, please share them with us. Your ideas mean a lot!

*\*Let's have a great month filled with Gratitude! \**

It began October 15 and ends December 7, 2024, although many have already done so, I want to remind those who are still undecided that every year you can educate yourself with your coverage representative about your coverage. About whether there are changes in it that could affect you. If you are satisfied and have no problems with your doctors or medications, you should not make changes. But if you are not satisfied with the current coverage or want to review it, talk to Maritza RSC so she can connect you to the person qualified to help you.
